

Policy for Student Submitted Art

HDAE Arts & Culture Committee

Fall 2016

- Art and art objects (including but not limited to paintings, sculpture and murals) may be displayed temporarily in Housing, Dining & Auxiliary Enterprises common areas only as indicated below:
- Under the guidance of the Student Leadership Coordinator, the applicable Community Council will review and approve, or return for revisions, student submitted art or art proposals. Once approved, the Council will recommend to the Arts & Culture Committee the location and the display of art. The Arts & Culture Committee will meet monthly to discuss recommendations.
- The Arts & Culture Committee will consult with the Associate Vice Chancellor of HDAE as necessary, and the Student Leadership Coordinator will notify the requestor and the Community Council of the committee's decision.
- The University will bear no responsibility for art. An Agreement (<http://www.ehs.ucsb.edu/files/docs/rm/StudentArtLoanAgrmt.pdf>) for display of art and art objects must be signed in advance for all art work displayed.
- Art may not be displayed "for sale."
- Art may not conflict with the mission of UCSB or HDAE, and must comply with all UCSB and HDAE policies.
- HDAE reserves the right to return or edit art in order to meet previously agreed upon designs, and/or to fit space requirements.
- HDAE may refuse or return for revision any submittals for language, pictures, images, or references to alcohol and other drugs that are unlawful or harmful.
- Physical damage to walls, etc., must be avoided, and student submitted art may not be permanently painted or adhered to walls.
- Residential Operations may be asked to participate in arranging the display.
